SERVICED RESIDENCES

FLAUNT YOUR INDIVIDUALITY

Introducing an individualistic approach to design, these city-nature abodes are intimately sized, with functional space and facilities that assert your individuality. Some call it a luxury; others call it a privilege.

At UDA Property, we call it home.

ILLUMINATE YOUR PASSION

38 Bangsar Residensi offers a privileged lifestyle embraced amidst the connectivity of urban public transportation.

Live within the heart of the city, nestled in an exclusive location with easy access to living the lifestyle that's truly you.

THE NEXUS OF CONNECTIVITY

Developed as single-block serviced apartments, **38 Bangsar Residensi** is poised to be an exceptional new-age urban residential address in Bangsar, KL. This 1.16-acre development is designed around a self-sustaining neighbourhood, with amenities that range from educational institutions and retail malls to healthcare and entertainment.

- Part of the affluent, established neighbourhood of Bangsar; and near to Mid Valley City, Mont' Kiara and Damansara Heights
- Close to Bukit Gasing Forest Reserve and Perdana Botanical Garden
- Only 150-meter walk to Bangsar LRT Station which transits to KL Sentral - Southeast Asia's largest railway station & transport hub
